Texas House of Representatives | Candidate Endorsement

The Southern Regional Council of Carpenters is proud to endorse Montserrat Garibay in her election to represent the 49th District in the Texas House of Representatives.

Throughout her career as an educator and as a labor leader, Montserrat has always put the working families of Texas first. Her tenure as Secretary-Treasurer of the Texas AFL-CIO shows that she has the skills and passion to fight for workers' rights.

When workers are treated fairly on the job, our economies grow. We know that Montserrat will stand up against wage theft and tax fraud, and will continue to advocate for workplace safety, issues that disproportionately affect workers in the construction industry and hurt our communities.

We look forward to working with Garibay in building a brighter future for Texans.

In Solidarity,
